### Get Ready for The Sounds of Summer!

The Summer Concert Series is back for another season of rockin' sounds from the North Park Amphitheater! This year, the Park Board has filled Tuesday and Friday nights in July with music & fun!

And back by popular demand, beer sales will be available during our Friday night concerts. Thanks once again to the Wee Panthers Football organization for serving the suds.

The line-up is our best yet and is listed below.

All concerts are **FREE** to attend. Tuesday night concerts begin at 7:00pm, and Friday night concerts begin at 7:30pm. We look forward to seeing you at North Park!

**Friday, July 10 - The Rusty Griswolds**

**Tuesday, July 14 - Dulahan**

**Friday, July 17 - McGuffey Lane**

**Tuesday, July 21 - Halfway Home**

**Friday, July 24 - After Midnight**

**Tuesday, July 28 - Memphis Meets Liverpool**

**Friday, July 31 - The Soul Brothers**

Rock-n-Roll gets a welcome rewrite when "Memphis Meets Liverpool". The show features tributes to Paul McCartney & Elvis Presley, the two most popular recording artists of all time! Can you guess which one is "Memphis" & which one is "Liverpool"?

Barry Campbell & His Big Band have been together for 35 years and have backed big names such as Bill Hayes, Shirley Jones, Rosemary Clooney & The Temptations!

A few years ago McGuffey Lane released their *Greatest Hits CD*. Just another reason the band has been very successful on the road with a whole new generation being added to their loyal list of fans. Molly Pauken, Randy Huff, Jerry Cummings, and Kevin Reed join original members, John Schwab, Terry Efaw and Steve Reis, in one of Mid-west's most popular bands. Their polished harmonies and innovative talent continues to wow their audiences. Whether there are 300 or 3,000, the audience can't seem to get enough.

Dulahan (pronounced Doo -LA-Hon), hails from Dayton and for the past 13 years has continued to bring new & creative original music to the Celtic music scene. Their music is a fusion of the multiple influences of the members, including the traditional & contemporary Irish & Scottish sounds.
