## EARTH DAY 2012

The City of Springboro would like to extend a thank you to Tim Abbott and Duke Energy for a \$1,000 donation to the City for the planting of trees at Gardner Park for Earth Day. Mayor John Agenbroad and Springboro Tree Authority Chairman Bill Riegel attended the planting ceremony for the City. Earth Day was started in 1970 by Gaylord Nelson, then a U.S. Senator from Wisconsin who was attempting to build upon an emerging public consciousness about air and water pollution.
