### CITY BUILDING OPEN HOUSE & DEDICATION

It is hard to believe, but after 16 months of construction, the new City Building is nearly complete! Brumbaugh Construction has been working diligently to finish the city building, and they are scheduled to be concluded on or around September 18. Based on their completion date, City Council has scheduled a Public Open House & Dedication Ceremony for the new Building on **Sunday, September 27, from 1:00p.m.-4:00p.m.** We encourage you to stop by to see your new city building. It was designed with the residents in mind! It is a “one-stop shop” that incorporates all the departments that are typically utilized by the citizens on a daily basis, a community room that can be used by community groups and an outdoor area that can be a staging area for festivals and small outdoor civic events.

The schedule below is just a few of the things that will be occurring at the Public Open House on the 27th:

- Dedication of the Building by Mayor John Agenbroad and City Council at 1:00p.m.
- Tours of the new building by City staff, starting at 1:15p.m. and running until 3:45p.m.
- Meet and Greet with the Mayor and City Council in the Community Room.
