A PUBLICATION FOR THE CITIZENS OF SPRINGBORO

OCTOBER - NOVEMBER - DECEMBER 2021

Leaf Collection Starts Oct. 11

The Service Department is gearing up for our annual leaf pickup service. Leaves will be collected beginning Monday, Oct. 11, and crews will collect leaves from each area at least ten times. To keep leaf collection on schedule and help keep costs down, please follow these guidelines:

- Rake your leaves to the curb or tree lawn, not into the street where they will block traffic or potentially clog storm sewers.
- Place your leaves at the curb at least two days before crews are scheduled to arrive. Depending on Mother Nature, equipment problems and volume of leaves, crews may run up to two days early or two days late.
- Do not rake anything except leaves to the curb for collection. Branches, sticks and other waste clog the machinery and can potentially damage the leaf vacuum.

- Do not bag your leaves for collection. Bagged leaves will be by-passed. Leaves must be at the curb for ease of pick up by leaf vacuums. Bagged leaves will be left for Rumpke to pick up as part of their yard waste collection.
- Do not park vehicles within 20 feet of leaf piles. Leaves must be accessible to the trucks and the leaf vacuum. If leaves are not accessible, they will be bypassed – we do not want to risk damaging the leaf vacuum or your vehicles.

Leaf collection schedule updates are available at www.ci.springboro.oh.us or call 937-748-0020 for more information. See the collection map on page 5.

City to Offer “Race and Bias in the Court System” Discussion

TWO OPTIONS FOR VIEWING: LIVE STREAM OR IN-PERSON

Are black defendants treated differently than white defendants? In a continuing effort to facilitate open communication, the City of Springboro and the Springboro Police Department sponsor a third panel discussion on race. This forum will address race and bias in our court system at 7 p.m. Monday, Oct. 4 at the Springboro Performing Arts Center. The event is open to the public.

Five distinguished members of our legal community will participate on the panel: David Fornshell, Warren County Prosecutor; the Honorable Jeff Kirby, Warren County Common Pleas Family Court Judge; the Honorable Gerald Parker, Montgomery County Common Pleas Judge; Kent DePoorter, Springboro Mayor’s Court Magistrate and practicing attorney; and Mark Webb, Springboro City Prosecutor and practicing defense attorney. Springboro Police Chief Jeff Kruithoff will serve as moderator.

In addition to limited seating at the Performing Arts Center, the program will be streamed live on the City of Springboro Facebook page and taped for viewing at a later date. For more information call 937-748-0611.

The first panel discussion featured four local Black men sharing their experiences. In April, “Law Enforcement from a Black Perspective” was presented by five local officers. Both programs are available on the City’s YouTube channel.

Holiday Schedule 8

Bill Haggerty was recognized by City Council for his nine years of volunteer service to the Architectural Review Board. Over the years, he has held the positions of Vice Chair and Chair of the Board. Council liaison to the ARB **Janie Ridd** presented **Haggerty** with a plaque of appreciation during a recent Council meeting.

LEGISLATIVE UPDATE

Your City Council Members meet monthly on the first and third Thursday at 7 p.m. in Council Chambers to pass legislation and authorize budgeted expenditures related to the management and operation of our City, and the health, safety and welfare of our citizens. Here are just a few agenda items recently approved by City Council.

- **The 2022 Tax Budget** – is a projection of revenues and expenditures for the following year and must be filed annually with the Warren County Auditor's Office in order to receive the City's share of Local Government Funds and 1.11 mills of property tax revenue. Springboro's estimated share of Local Government Funds for 2022 is approximately \$130,000 and property tax revenue will be approximately \$775,000.
- **An ordinance** amending Chapter 678, Weeds and Litter, of the City's General Offenses Code to recoup additional costs to abate property maintenance issues, specifically the mowing of lawns, within the City. The newly amended ordinance adds an administrative fee of \$250 in addition to the costs charged to property owners for neglected properties to be mowed. Generally, the height limitation for grass and weeds is eight (8) inches in residential neighborhoods.
- **A resolution** authorizing Springboro to participate in an agreement with the Warren County Engineer's Office to purchase road salt for the 2021-2022 winter season. The county engineer's office will conduct the bid process for road salt on behalf of municipalities within the county. This cooperative bidding process lowers the cost of salt and allows the participating communities to purchase salt as needed to keep roads clear and safe during snow and ice season.
- **A resolution** authorizing the City to enter into an agreement for the sale of fiber optic conduit bank to Cincinnati Bell. Under this agreement, the City will sell four banks of conduit to Cincinnati Bell for \$1.5 million. The conduit purchase enables Cincinnati Bell to run its own fiber optic cables in all of the main thoroughfares and neighborhoods in the City. Cincinnati Bell plans to offer various high-speed internet products to all Springboro residents by mid-2023.

City to Install Two EV Charging Stations

As more motorists begin to look for options to gasoline, the demand for EV charging stations continues to increase. In an ongoing effort to help lessen our carbon footprint, the City will be installing two Blink brand Electric Vehicle charging stations at Heatherwoode Golf Club. Each station can host two vehicles, and will be available dawn until dusk daily for Heatherwoode patrons. Any EV model will be able to charge at the stations, which will be located in the rear parking lot off Heatherwoode Circle. The stations are expected to be installed by the end of the year with the service provided by the City free of charge.

Two Springboro parks already host free EV charging stations: North Park, on Tamarack Trail, and Clearcreek Park, on lower Springboro Road.

From Mayor John Agenbroad

It's been quite a summer in Springboro! Over the past four months, our City has welcomed thousands of guests to our concerts, parks and special events. We hosted a record of more than 21,000 guests to our live shows at North Park! I'm very proud of the outstanding reputation we've built for providing quality entertainment in a safe and fun venue. Special thank you to our Park Board along with our Parks, Service, Police and Fire departments in addition to many volunteers for staffing these concerts. And yes, we will welcome back Resurrection - A Journey Tribute for a show on July 29, 2022!

As we welcome fall, please get out and enjoy all the wonderful resources your City has to offer! Our parks are perfect for walking, running, cycling, playing or just sitting and taking in the beautiful views.

Your City Council and staff will be spending the next few months focusing on the city annual budget and Capital Improvement Program (CIP). Each year the City reviews capital needs such as improvements to essential public infrastructure, parks and recreation projects, and equipment needed for operations and services for the next five-year period. Council will review all capital projects and the budget proposal in November prior to approving all budgeted expenditures for 2022 this December.

Veterans Day is November 11. We send our sincere and heartfelt appreciation to all those who have served. Thank you for your dedication to keeping our country safe.

This is the last issue of City Notes for 2021. As we approach the holiday season, I wish you a peaceful and joyous Christmas and a very happy New Year. It is an honor to serve as your mayor.

Happy Holidays

Bike the Boro and The Big Event

More than 300 cyclists of all ages spent a warm Saturday September morning at North Park for Bike the Boro. Cyclists hit the road at 10 a.m., covering 2, 10 or 16 miles of road in Springboro. Upon returning, it was time to cool off with free ice cream! Hundreds more took part in the Big Event, with bounce houses, climbing wall, face painting, sno-cones, cotton candy and other fun kid stuff—all at no cost! In addition, the City of Springboro, Springboro Police, Clearcreek Sheriff's Office, Warren County SWAT, Clearcreek Fire District and a variety of cycling vendors offered demonstrations, information booths and giveaways. Miami Valley Hospital's CareFlight landed and offered tours of the helicopter and Dayton Children's Hospital showed the proper way to fit a bike helmet. As always, lots of cool prizes and fun giveaways were awarded. For more information on cycling, visit www.bikingintheboro.com.

Fiber to Home Project Continues to Grow

The citywide 17-mile fiber optic loop, in partnership with Warren County Port Authority, is well underway—and has almost paid for itself. Six conduits are being installed throughout the City. Two internet service providers have purchased five of the lines. Point Broadband began work earlier this year installing one line and just recently the City sold four lines to Cincinnati Bell for \$1.5 million. The internet providers will then run their own fiber optic cables to provide high speed internet to neighborhoods. Construction teams are throughout the City completing both aerial and underground work. In addition to providing options for high speed internet, the technology upgrades will help the City provide better safety and public works services. Point Broadband expects to begin offering service next year, while Cincinnati Bell services should be available in 2023.

Thanks to Ted Andrews and the crew at Kona Ice for their generous donation of \$2,370 to the Springboro Police Department's Operation Santa program. Kona Ice donates a portion of their proceeds earned over the summer at Kacie Jane Park.

She obtained fellowship training in Breast Surgery at the Cleveland Clinic Akron General Medical Center. Having trained at the Cleveland Clinic, a renowned tertiary cancer center, she is a strong advocate of a multidisciplinary approach to cancer care and the value of integrating holistic approaches. "My role as a breast surgical oncologist is to provide patient-centered treatment options that strive for a cure, while restoring peace of mind and a return to a reasonable quality of life."

Art Gallery Showcases Gallery Owners and Sister Show

The Springboro Performing Arts Center Art Gallery, 115 Wright Station Way, is pleased to present upcoming exhibits showcasing artists with Springboro connections. **Anthony Murrill** is the featured artist for October. Murrill is known for his custom artwork, portraits, animal portraits and wall murals. Last spring, he created three outdoor "rugs" that can be found under benches in Historic Springboro, where he also has a gallery at 140 S. Main Street.

The November show will highlight the works of sisters **Mary Lynn Mogan** and **Patty Reeves**. While both are longtime artists, this is the first time their work will be shown as one exhibit. Reeves is the owner and chef at Ambiance Wine Bar Café in Historic Springboro. Patty likes to paint images that draw the viewer into the picture, almost as if they are inside the world of the painting. Many of her works depict streets or the woods.

As a child, Mary Lynn Mogan was interested in the fine arts and dabbled in pencil sketching and water colors. She attended the University of Dayton to pursue a degree in art education. In her retirement years, Mary has devoted more time to developing her skills as an artist. She loves painting pet portraits and recreating vacation and travel photographs into canvas fine arts.

The December show will highlight work by artist **Shawna Hatton**, the owner of Chasing Light Art Studio and Gallery at 140 S. Main Street. Hatton's work includes fine art paintings and photography. She also participated in the outdoor "rug" project, creating three paintings in Historic Springboro.

Gallery Hours are 8 a.m. – 4 p.m. Monday through Friday with some extended hours on evenings and weekends or by appointment by calling 937-748-5774. Visit www.ci.springboro.oh.us for information exhibit.
