A PUBLICATION FOR THE CITIZENS OF SPRINGBORO JANUARY - FEBRUARY - MARCH 2025

## Breakfast Club Coming to Wright Station

The new building under construction at Wright Station will include **The Breakfast Club Café & Coffee Roastery** at the corner of Main Street and Central Avenue. The restaurant will occupy half of the 8,000 sq. ft. building and include an outdoor patio with covering. This is the sixth building to join Wright Station, a development partnership of Synergy and the City of Springboro. The eatery, owned by Cameron Whipp, is well-established in Lebanon, and ready to grow to this new location. “We’re bursting with excitement to serve the Springboro community with fresh, homemade breakfast and lunch, complemented by delicious drinks and freshly roasted coffee,” says Whipp. The restaurant will be open for breakfast and lunch. Look for a mid-spring opening. The remainder of the building will serve as a dental office, which will open later this year.

## Midway Shopping Plaza Sees Redevelopment with Two New Businesses

A coffee drive thru and a fitness center have opened at the Midway Shopping Plaza on West Central Avenue. **7 Brew** coffee serves a variety of hot and cold drinks at 827 W. Central Ave. The drive-thru style concept has more than 250 locations nationwide.

**Planet Fitness** has opened a 22,000 sq. ft. space in the shopping center. Featuring classes, trainers and fully equipped locker rooms, the center is open seven days a week. The fitness center will share building space with **Aldi**, scheduled to open a 21,000 sq. ft. grocery store on the west side of the building later this year. The building formerly housed GAC Fitness.

The shopping center has undergone significant redevelopment over the past few years with the addition of **Kid Clubhouse** and **Fairhaven Church, Springboro Campus**.

## Rumpke Waste Collection Rates to Increase

In May 2020, the City of Springboro signed a 5-year agreement with Rumpke, which included two optional 3-year extensions. Rumpke has declined both optional renewals and proposed new rates. To cover the increased costs, the City will need to raise trash and recycling collection rates as follows:

- 2025: \$19 per household per month
- 2026: \$21 per household per month
- 2027: \$22 per household per month

Despite these adjustments, the rates remain well below those of many surrounding communities.

### Monthly Fees in surrounding areas:

- Miami Township: \$15.24 per month
- Miamisburg: \$16
- Kettering: \$16.71
- Springboro: \$19
- Mason: \$19.41
- West Carrollton: \$19.71
- Franklin: \$20.65
- Monroe: \$21.81
- Lebanon: \$22.02
- Centerville: \$24
- Clearcreek Township: \$35 or \$38 (depending on waste hauler)
- Washington Township: \$40

Customers can still save \$2 per month if you sign up for both e-billing and automatic payment. Details can be found on the City website, [ci.springboro.oh.us](http://ci.springboro.oh.us), or by calling the Utilities Department, 937-748-4343.

## Motto Retires

Nick Motto, the City's Business Retention Specialist for more than 18 years, retired in November 2024. Motto joined the City in 2006 following a successful career in banking. Over his time with the City, he made thousands of calls and visits to Springboro businesses, building connections and helping our community flourish. We wish Nick all the best and thank him for his service.

## Community Leadership Update

City Councilman **Jim Chmiel**, serving his sixth term on Council, was appointed Deputy Mayor for 2025. Chmiel also serves on the City's Park Board and chairs the Council Finance Committee. City Council has approved all other council and citizen committee appointments for new terms in 2025. Many thanks to all our dedicated board and commission members for their continued participation in our community's leadership.

# Legislative Update

Your City Council meets monthly at 7 p.m. on the first and third Thursday in Council Chambers to pass legislation and authorize budgeted expenditures related to the management and operation of our City, and the health, safety and welfare of our citizens. In 2024, City Council voted on more than 70 legislative items concerning capital improvements, planning and zoning, economic development, finance and general policies. Here are just a few agenda items recently approved by City Council.

- ➔ **A contract with Sturm Construction for the “Clearcreek Park Multi-Use Trail” project**, which includes construction of a new multi-use trail on the south side of Clearcreek Park, including a realignment of the existing trail in the vicinity of the main (east) park entrance to decrease pedestrian/bike/vehicle conflicts, construction of a spur trail to the park restroom/concession stand, and an extension of the existing trail to the west end of the park. The new trail supports the City’s 2020 Bicycle and Pedestrian Plan to connect E. Milo Beck Park to the east and Hazel Woods Park to the west. Total cost is approximately \$166,000 funded entirely by state capital monies and the Ohio Department of Natural Resources’ Recreational Trails Program.
- ➔ **A resolution authorizing the submittal of applications for federal IJA (Infrastructure Investment and Jobs Act) funds through the Miami Valley Regional Planning Commission’s transportation improvement plan.** The funds would allow the City to receive up to 80% of the project’s non-acquisition costs for reimbursement. The applications support three projects: construction of a northbound, right turn lane at the Lytle-Five Points Road/North Main Street intersection, resurfacing of a

portion of Lytle-Five Points Road, and construction of a portion of the Central Greenway bike path from West Factory Road to Community Park.

- ➔ **The City’s 2025 Budget and Capital Improvement Program.** City Council reviewed and approved the City’s annual budget and capital improvement program in November. Budgeted expenditures for 2025 total \$55.7 million for all capital and operational expenses.
- ➔ **An ordinance amending the City’s Planning and Zoning Code, Section 1263.02, Prohibited Uses and Uses Not Expressly Permitted, prohibits adult use marijuana operators.** State Issue 2, legalizing “Adult Use Cannabis,” became effective on December 7, 2023. As with the previously enacted state medical marijuana law, the new law allows municipal corporations to prohibit or limit the number of adult use cannabis operators. In 2017, the City passed an ordinance prohibiting medical marijuana cultivators, processors, and dispensaries within the City, and in similar fashion passed an ordinance in November 2024 prohibiting adult use cannabis cultivators, processors, and dispensaries within the City. This prohibition does not prohibit or restrict home grow of adult use cannabis authorized under Ohio Revised Code Chapter 3780 or prohibit or restrict any activity that is otherwise authorized by Ohio Revised Code Chapter 3780.
- ➔ **A five-year contract with Wilson, Shannon & Snow, Inc. and the Office of the Auditor of State to conduct an audit of the City of Springboro for the periods ending December 31, 2024 through December 31, 2028.** The City is required to have an annual audit by the Office of the Auditor of State (AOS) and the AOS can elect to have Independent Public Accounting (IPA) firms perform audits of public entities. The AOS requested that the City use an IPA firm to perform its annual audits for fiscal years 2024 through 2028 and awarded the contract to Wilson, Shannon and Snow.

# New Memorial to be Built at Gardner Park

The City of Springboro is proud to announce the development of the Vietnam Veterans Remembrance Memorial at Gardner Park, 181 Village Park Blvd. This memorial will stand as a testament to the bravery, service and sacrifice of our Vietnam veterans, ensuring that their legacy endures for future generations.

This endeavor aims not only to commemorate the valiant efforts of our veterans, but also to educate the community about the significance of the Vietnam War and tell the story of the plight and sacrifice of the citizens of Vietnam from their perspective. The memorial will offer a place for reflection, remembrance and education, fostering a deeper appreciation and respect for our veterans.

Springboro resident and business owner Daklak Do, the visionary behind this new memorial, has a powerful story rooted in

resilience and gratitude. Fleeing the oppressive Vietnamese Communist regime in the late 1970s, Mr. Do's journey to the United States eventually found him settling in the Dayton area. He has long dreamed of creating a meaningful tribute to honor their sacrifice. Through this memorial, these veterans' courage and sacrifice will never be forgotten.

The Vietnam Veterans Remembrance Memorial will be made possible through the donations of individuals, families and organizations, with contributions directly funding the construction, landscaping and maintenance of the memorial, ensuring that it serves as a dignified tribute for years to come. For more information, visit [ci.springboro.oh.us](http://ci.springboro.oh.us).

## North Park Continues to Add New Amenities

Next up for Springboro's busiest park is a new restroom building. Designed by Springhouse Architects in Springboro, the plan calls for tripling the number of stalls for both men's and women's restrooms and adding a family restroom at North Park, 195 Tamarack Trail. The current building, onsite for more than 30 years, is set to be demolished with construction to follow, with an expected opening date of early summer.

The new restroom building is made possible in part by \$300,000 in state funding, thanks to the support of State Representative Scott Lipps and State Senator Steve Wilson.

This is the latest in improvements to North Park. Six new pickleball courts

opened at the end of summer at the south end of the park, and the 30,000 sq. ft.

Dayton Children's Playground, which has provided a place for all children to play, opened last spring.

## Free Kids Movies at the PAC

The City of Springboro presents three free movies for kids this winter at the Springboro Performing Arts Center, 115 Wright Station Way. Showtimes are noon and 2 p.m.

See **"Paw Patrol The Movie"** on Saturday, Jan. 18. When their biggest rival, Humdinger, becomes Mayor of nearby Adventure City and starts wreaking havoc, Ryder and the heroic pups kick into high gear to face the challenge head on.

**"The LEGO Movie"** will be shown on Saturday, Feb. 22. The first-ever full-length theatrical LEGO movie follows Emmet an ordinary, rules-following, perfectly average LEGO minifigure who is mistakenly identified as the most extraordinary person (the MasterBuilder) and the key to saving his LEGO world. Now the fate of the world is in his tiny yellow hands.

**"Kung Fu Panda 4"** is set for Saturday, March 15. After three death-defying adventures defeating world-class villains with his unmatched courage and mad martial arts skills, Po, the Dragon Warrior, is called upon by destiny to...give it a rest already. More specifically, he's tapped to become the Spiritual Leader of the Valley of Peace. That poses a couple of obvious problems.

Concessions are available and each child can make a craft. Admission is free and no tickets are needed. Doors open 30 minutes prior to show time. For more information, visit [ci.springboro.oh.us](http://ci.springboro.oh.us) or call 937-748-5774.

## Donation Supports AEDs in Parks

Thanks to a \$7,000 donation last year from the Springboro Eagles, automated external defibrillators and cabinets have been installed at all City parks. An AED is a portable device that can be used to treat a person whose heart has suddenly stopped working. Look for the boxes near shelters.

## Do Not Solicit Registration Available

The City maintains a "Do Not Solicit List" which prohibits solicitors from making door-to-door contact with any addresses on the list. Residents interested in registering should do so on the City website, [www.ci.springboro.oh.us](http://www.ci.springboro.oh.us). Registration is valid until a resident changes addresses.

All solicitors are required to obtain a license subject to a background check, pay a \$25 fee and restrict hours for door-to-door sales from 9 a.m. to 7 p.m. In addition, solicitors are required to carry the list, the required license and a photo ID when making door-to-door calls.

The ordinance does not affect youth fundraising activities like school, sport or scout sales, door-to-door political campaigns, collection of signatures or distribution of brochures or other literature. It does affect peddlers and solicitors selling for a profit; for example door-to-door salespersons for landscaping, pest control and roofing companies would all need to have a solicitor's license.

Should a resident have a solicitor at the door without the required license or if a solicitor comes to your door and your address is included on the Do Not Solicit list, please call the Springboro Police Department, 937-748-0611.

## Springboro Has Lowest Property Tax in the Region

Springboro residents enjoy some of the most affordable property taxes in the region, making our city a standout choice for homeowners. Our municipal tax rate of **1.1 mills**—ensures that your hard-earned money goes further. With this competitive rate, Springboro ranks as having the **third-lowest municipal tax rate in Ohio**, all while maintaining excellent city services and a vibrant community.

Property tax is based on the amount charged per \$1,000 worth of taxable property value, also known as "millage", and supports local services like schools, libraries and public health. The County Treasurer and Auditor ensure these funds are responsibly distributed to serve residents effectively.

For a \$300,000 home value in Springboro, property taxes in 2024 are, on average, **34% lower than neighboring communities**. This chart shows Total Property Taxes. Tax reductions may be available through the county auditor.

# Interchange Makeover Project Underway

The I-75 and St. Rt. 73 intersection located in the City of Springboro and the City of Franklin is almost complete. ODOT funded 100% of the safety portion of the project for about \$2 million. The remaining project costs are being covered by an Ohio Department of Transportation Safety Grant, a partnership between the two cities, Warren County Transportation Improvement District (WCTID) and ODOT.

- **Drain Irrigation Systems:** Turn off and drain your system to protect it from damage.
- **Secure Exposed Plumbing:** Keep garage doors closed if your meter or plumbing is in a garage or exposed area.
- **Prevent Pipe Freezing:** If your home has a history of frozen pipes, consider letting one faucet trickle slightly overnight.
- **Locate Your Water Shut-Off Valve:** Be ready to turn off water immediately if a pipe freezes or bursts.
- **Check Vulnerable Areas:** Identify unheated spaces like basements, crawl spaces or outside walls that are most at risk for freezing.

## City Crews Ready for Snow

Springboro's Public Service Department is ready for snow! Our crews work to provide quality services so motorists can safely travel our roadways. So what is our process for clearing ice and snow?

1. Major arteries (St. Rt. 73, St. Rt. 741, Pennyroyal, Lytle-Five Points) are plowed first. We must keep roads clear for emergency vehicles, and conditions may require continued treatment.
2. Once major arteries are cleared, our crews move on to main streets and through subdivisions.
3. Residential streets, cul-de-sacs and courts will be serviced once the major arteries and main roads are cleared. Please help us by removing basketball hoops and parking your cars in the driveway. This allows the snowplows to better and more efficiently clean your streets so you can safely drive on them.

### Check traffic before you go

Check out live road conditions and traffic situations 24/7 from the City website. The City has three live-streaming traffic cameras at the following intersections: St. Rt. 741 at Lytle-Five Points, St. Rt. 741 and St. Rt. 73, and St. Rt. 73 at Drug Mart. Visit [ci.springboro.oh.us](http://ci.springboro.oh.us) and scroll down the main page to Traffic Cameras to see a live feed of the traffic.

## Operation Santa Celebrates 26 Years

Each year, the Springboro Police Department raises funds and collects donations for Operation Santa, a program that supports Springboro families in need of Christmas cheer. In December, Santa visited seven families—with a total of 22 children—delivering gifts and some holiday cheer. Operation Santa began in 1998 with three Springboro officers with \$100 and five children to assist. The program has grown over the years with the support of the business community, sponsors and individuals contributing to this community event. Central Ave. and the Springboro Performing Arts Center, 115 Wright Station Way. Warren County Solid Waste Management District is coordinating this program.

## Career Center Students Recognized

City Council recently recognized Warren County Career Center students Leah Dorizas, Charlie Lehr, Kylin Price, Michael McCabe and Josh Ryan along with their graphic design teacher Howard Norris. As part of our City's partnership with WCCC, the students designed and installed vinyl wraps on two Springboro traffic control boxes. The wrap at St. Rts. 73 and 741—near the Springboro Performing Arts Center—celebrates the arts, while the wrap at Lytle Five Points and St. Rt. 741 showcases some of Springboro's favorite outdoor amenities like the splash pad at Kacie Jane Park, biking, the Veterans Memorial at Gardner Park and the new Dayton Children's Hospital Playground at North Park. This brings the number of vinyl wrap projects with WCCC to three—the first being completed last year in Historic Springboro, on W. Mill and S. Main streets. Additional projects are scheduled for 2025.

Mayor John Agenbroad congratulates Warren County Career Center students Leah Dorizas, Charlie Lehr and Kylin Price along with their teacher, Howard Norris, for their work on two vinyl wrapped traffic control boxes.
