## Type of Technical Review Requested

Site Plan Review       PUD Rezoning

Conventional Rezoning (B-1,  
etc.)       Other (specify) \_\_\_\_\_

## Description of Application

---

---

---

---

---

---

---

The purpose of the Technical Review Committee meetings is to provide applicants with an early opportunity to receive input on site plan review and rezoning applications and other matters well in advance of formal approval by the Planning Commission. A favorable response from the Technical Review Committee does not necessarily indicate approval will be granted by the Planning Commission . Six sets of drawings are required (must be folded) .

**For Official Use Only**

Date of Receipt: \_\_\_\_\_, Meeting Date: \_\_\_\_\_,  
200\_\_\_\_ 200\_\_\_\_

Initials: \_\_\_\_\_
