

NETWORK MAP

MAY 16, 2013

BIKE LANES

*Proposed bike lanes within the existing roadway include the existing bike lanes on SR 741.

*Includes existing shared lane markings on SR 741

*Proposed conceptual trail alignments may include sidewalks, bike lanes or neighborhood connectors depending on how a site is redeveloped

 **Proposed Signed Bike Route with Bike Lane**
*Provides signage to key destinations and often incorporate off-road trail segments as well

NEIGHBORHOOD GREENWAY

Proposed

- **Proposed**

*They serve as orientation and resource centers for non-motorized trips and help introduce people to new walking and bicycling opportunities

*Examples include: raised crosswalks, crossing islands, rectangular rapid flash beacons and pedestrian hybrid beacons

*Examples include: ramps, curb extensions, detectable warnings, pedestrian signals, push buttons, high visibility crosswalks markings and other ADA accessibility considerations
